

SEA CLOUD

Sicily at its best with ancient temples, norman castles and grand volcanic panoramas

At its launch in 1931, the SEA CLOUD was the most magnificent sailing yacht in the world. Every detail of the legendary sailing lady reveals the originality of that time and creates an impressive backdrop for your voyage, during which you can savour the high-class atmosphere combined with the relaxed nature of modern-day living.

Sicily – the Mediterranean’s largest island

This is a world unto itself – with 3,000 years of abundant history and intriguing monuments reflecting each era. Varied discoveries are guaranteed during this cruise: in beautiful Taormina with its magnificent view of the Etna; in Palermo where the marvellous mosaics of the Capella Palatina await; or antique Ortigia in Syracuse, a UNESCO World Heritage Site. But not only Sicily’s cultural sites made history; so did the age-old tradition of wine-growing. Presented by a sommelier, we want to introduce the region’s varied wines to you during this cruise: Look forward to wine tastings, interesting talks and the visit to a winegrower.

On board: Nils Lackner sommelier & wine speaker

Hailing from the island of Sylt Nils Lackner is one of the most popular German sommeliers and an internationally booked wine speaker and lecturer. He is known for his progressive and interactive style and takes his audience on a unique journey through the world of wine filled with hedonism and enthusiasm. We are delighted to have won him for this SEA CLOUD cruise, during which he will take you on a wine journey from Sicily to Mallorca.
